Intrepid Disclosure

You are real. Fuck divine pity &  
wrath, I want love and interaction.  
Reciprocation of values, obscure  
health as business type, cone (blimey)  
Matching (skynny) I can't stand  
drinking cause pains wanna  
associate at their ill leisure,

Potholes may do the same, but not  
eat some mushrooms and know  
the believer in you. Drugs are  
a great however psychedelics,  
mind food, when ate, offer wisdom,  
something for the seeker, yet  
fed, fast & find, advice of a funny.  
Real substances are comprised  
of a healthy relationship with  
saber. Consuming almaline  
will show benefits over over.  
Enemas and elixir, posture  
held right, fortified. Behaveable  
with your use of prout medicine.  
No hate tolerable, just straight  
thoughts with emotional  
support can contrived as  
contested. Maybe it's  
an conjecture, impartial adventures.
